We are pleased to invite you to the **24th International Conference on Hydraulics and Pneumatics** which will be held on **September 12 - 14, 2018 in Prague, Novotneho lavka 5**. We are looking forward to see you in the capital of the Czech Republic.

Petr Noskievič and Radim Olšovský
on behalf of Scientific and Organizing Committees

The objective

The objective of the conference is to provide an opportunity to exchange high quality, recent information on development, design and research in the field of hydraulics and pneumatics. The conference aims to bring industrial engineers together with researchers in fluid power and present news from research and interesting industrial applications of the fluid power systems (FPS).

Conference languages: English, Czech, Slovak

Simultaneous translating service will be available for participants. Papers are written in English.

Registration

Please, register your contribution to the conference on <http://ichp.vsb.cz> (application form).

Do not hesitate to consult any problem about it with JASTA, travel agency., Hana Kropíková, tel. +420 602 322 900 or e-mail: hkropikova@telecom.cz

Conference fee till the 30.6.2018 380 EUR

Conference fee after the 30.6.2018 430 EUR

For the second and another participant from the same company the conference fee is reduced by 25%.

Conference fee includes participation in the workshop, conference proceedings, welcome party, refreshments during the conference and the evening party on Thursday, 13.9.2018 in „Malostranska beseda“ restaurant (Malostranské náměstí 21, Praha 1). You will receive the invoice for paying your conference fee from JASTA travel agency after your registration on <http://ichp.vsb.cz>.

Conference place

House of Czech Union of Scientific Technical Societies, Prague 1, Novotneho lavka 200/5, Conference room No. 319, 3rd floor.

Transport access

It is possible to use the city public transport – underground railway, line A. Leave it at the station „Staromestska“ and then pass through the „Krizovnicka“ street or use the tram, line 17 or 18 to the station „Karlovy lazne“.

Preliminary Conference Program

The conference will start on September 12 at 18.00 at the Lávka Club, Novotného Lávka 1. The program of the conference will start on September 13 at 9 am and the individual papers will be divided into the following sections:

- Hydraulic systems – design and application in production equipment
- Hydraulic systems for mobile applications
- Modelling and simulation of hydraulic systems, CFD

The detailed program of the conference will be published later, on the conference website.

The Conference is connected with the exhibition of companies:

ARGO HYTOS, s.r.o. Vrchlabí

METAL WORK PNEUMATIC CZ, s.r.o. Sviadnov

HYDAC spol. s r.o., Planá nad Lužnicí

BOSCH REXROTH, spol. s r.o., Brno

PARKER HANNIFIN Sales CEE s.r.o., Sadská

JHOSTROJ a.s., Velešín

Further Information

They will be updated on the conference website: <http://ichp.vsb.cz>.
